CAREER OBJECTIVE

Seeking a challenging position that allows me to continuously learn new skills, expand my knowledge, and apply my expertise effectively. I aim to contribute meaningfully to the organization's growth while maximizing my potential.

PROFESSIONAL EXPERIENCE

Intern – UI/UX Design & Flutter Developer   03/2024 to 06/2024

SAFATECH Integrated Solution Pvt. Ltd, Puducherry, India

- Completed 4-month internship focused on UI/UX design, contributing to real-time projects from design to deployment.
- Designed user interfaces using Figma and independently developed them using Flutter, ensuring consistency between design and implementation with a focus on responsiveness and usability.

Flutter Developer   03/2024 to 05/2025

SAFATECH Integrated Solution Pvt. Ltd, Puducherry, India

- Improved app performance by 30% in loading times and 25% in UI responsiveness through optimized code and efficient GetX state management, enhancing user experience.
- Led integration of 15+ third-party libraries and RESTful/GraphQL APIs, accelerating feature rollout by 20% and reducing development effort across multiple projects.
- Developed and maintained 5+ Flutter apps for Android, iOS, and Windows, with responsive design across 20+ device types, backed by 100+ tests resulting in 99% crash-free sessions.

EDUCATION CREDENTIAL

Bachelor of Science (Computer Science)   01/2023

Tagore Govt. Arts and Science College, Pondicherry University, Puducherry, India
CGPA: 6.23

Higher Secondary School   03/2019

Jeevanandam Govt. Boys Higher Secondary School, Puducherry, India
Percentage: 51%
